

Why is Water Reuse Week Important?

Water Deficit

5,000,000,000

litres of additional water
required per day in the next
25 years

Awareness

72%

of the British public believe
we have enough water to
meet demand

CSOs

310,000

combined sewer overflows in
2021 polluting our natural
water ways

Water Stress

24

Areas of England classed as
'seriously water stressed' by
the Environment Agency
